

# ADVENT HORIZON

## BIOGRAPHY

USA based prog rockers Advent Horizon are making waves in the progressive music world and beyond after the release of their new album "A Cell To Call Home" Featuring guest performances from Jordan Rudess (Dream Theater), Dave Meros (Spock's Beard), Randy McStine (Porcupine Tree), and Jared Hill (Snow Child), plus album and single artwork by Travis Smith (Opeth, Devin Townsend), "A Cell To Call Home" has received high praise internationally from fans and reviewers alike (with many naming the album among their top picks of 2023).

With word of Advent Horizon's music spreading rapidly to fans of progressive rock/metal around the world, demand has grown for the high energy quintet to hit the road. The band has put together a stellar live show which includes the critically lauded new album in its entirety, and looks forward to performing for audiences internationally in the coming year.

## PRESS REVIEWS

"'A Cell to Call Home' is a brilliant showcase of great melodies, solid song construction, and production, all coming together to make something special. Make sure to check this one out, and then use you cell to call and tell people about it! It will certainly find a way to the top of many Best of 2023 album lists."

ROIE AVIN, THE PROG REPORT

"The band's crowning achievement and arguably 2023's greatest progressive rock record."
